Reaching Families Trustee Opportunities

Treasurer (4-6 hours per month)

We require an experienced and knowledgeable Treasurer to work with the trustees in overseeing the financial management and ongoing sustainability of the charity. Specific duties will include financial forecasting, overseeing policy and monitoring of financial procedures and ensuring compliance with charity commission and company house accountancy requirements.

General Trustees (2-4 hours per month)

We would like to recruit 3 new Trustees to the board of Reaching Families to help in the good governance and strategic development of the charity. Specific duties would include overseeing policy, agreeing strategy and ensuring compliance with charity company house guidelines and requirements. We are particularly interested in hearing from parent-carers and/or professionals with experience of working with families of children with SEND.

For further information and an informal discussion about the requirements of the roles please contact our project manager, Brian O'Hagan at brian@reachingfamilies.org.uk or call him on 07939 192388.
